EDUCATION FORM

Name: _____

Degree _____ University _____

Major _____ Option or Minor _____

Official transcripts showing degree(s) granted must accompany this form.

Three quarter credits are equivalent to two semester credits.

The Board of Registration for Soil Scientists will determine if the courses listed meet the requirements.

I. Soil Science	Course No.	Dept.	Title	Semester Credits	Grade	University	Year
Soil Genesis, Classification, Interpretation, Morphology, Mapping. At least three semester hrs.							
Other Soil Science courses							
Total Soil Science courses. At least 15 sem. hrs.							

[Multiply quarter credits by 2/3 to convert to semester credits (5 quarter credits = 3.3 semester credits)]

II. Supporting Sciences	Course No.	Dept.	Title	Semester Credits	Grade	University	Year
Math, Statistics At least 6 sem. hrs.							
Chemistry At least 6 sem. hrs.							
Biology, Plant Science ¹ At least 6 sem. hrs.							
Physics, Engineering ² At least 3 sem. hrs.							
Geology At least 3 sem. hrs.							
Other Science courses							
Total Soil Science courses. At least 15 sem. hrs.							

1 Crop Science, Ecology, Forestry, and related courses count as Plant Science.

2 Computer Science, Geographic Information Systems, etc. count as Engineering.
