

INDIANA REGISTRY OF SOIL SCIENTISTS
Study Material for the Soil Science Fundamentals Exam

This exam is based largely on question used in the introductory soil science course at Purdue University, AGRY 255. Sample questions are available for you to study. Purdue students can access them through the website:

<http://www.agry.purdue.edu/courses/agry255/agry255.htm>

Others can get the questions on a CD by contacting Dawn Foushi, Agronomy Department (dfoushi@purdue.edu).
